Subject: New Supervisor Elected

Good Morning!

In yesterday's election, Mr. Calvin (Ricky) Scott won the Board of Supervisors position for the district where we are working. In other states, this is often known as the "County Commissioners", but in Virginia, the correct term is Board of Supervisors.

Mr. Scott is familiar with EPA's activities at the Site and he and I have met several times. I do not expect a visit from him, but if he should stop by looking for me, please give him a quick tour of Site activities. He knows the history, so no need to go over all that.

He had two elections signs up, one on the corner of LP Bailey and Shiloh Church Road (outside the fence near the power pole) and one on the front of Property #2, so when he comes by to retrieve his signs, he may stop by.

Thank you
Chris
